Check-In Check-Out FAQ

CHECK IN

1. From when should I start marking Check-in Check-out?

Users are supposed to mark Check-in starting from 3 Jul 2023 onwards

2. What happens if I fail to Check-in on 3 Jul 2023?

Users who fail to Check-in on 3 Jul 2023 will not be allowed to Check-in on 4 Jul 2023. They may contact their reporting person for further assistance.

3. In Hubble how should I mark my Check-in?

In Hubble you can mark your Check-in by clicking the home icon in the bottom right corner of the window and select appropriate work mode

4. At what time should I mark Check-in?

You are supposed to mark Check-in on or before start of the branch Check-in time.

Respective branches start time for information:

1. Karur - 9:00 AM
2. Coimbatore - 9:00 AM

5. What happens if I don't mark Check-in at the start of the working day?

If you failed to Check-in within the allowed time frame (9:30 AM). Your reporting person will be notified by mail that you have not checked in for the day.

6. Am I allowed to mark Check-in before the branch start time?

Yes, you are allowed to start the day by checking in before the branch start time.

7. If I start my day later than my branch Check-in time, how should I mark Check-in?

You are supposed to apply Time Off for the period of being late for work in prior before 9:30AM.

If not, your reporting person will be notified through mail that you have not checked in.

8. When am I not allowed to Check-in?

Users are not allowed to Check-in for the following cases:

- Suppose if you have not applied leave for a previous working day
- If you forgot to Check-in for a working day, you will not be allowed to Check-in for the next day.
- Users are not permitted to Check-in on specific business holidays mentioned below
Jan 26 - Republic Day,
May 1 - May Day,
Aug 15 - Independence Day,
Oct 2 - Gandhi Jayanthi.

9. Am I allowed to Check-in on holidays?

Yes, users are allowed to Check-in and work on holidays marked as "Yes" in the "Check-In Allowed" column of holidays table.

10. I have applied for a Day-Off for a certain day, will I be able to Check-in on that day?

Yes, users are permitted to Check-in for a day they have applied for Day Off.

Note: Cancelling Day Off for a checked in day has to be manually handled by individuals.

BREAK

1. **How to mark "Break" in Hubble?**

Only checked in users are allowed to mark break. After checked in, user can find the floating icon in the bottom right corner of the window providing options to mark appropriate break durations.

2. **What is the duration for break?**

Breaks are classified into two types based on their duration; they are

1. Short break - 30 minutes duration
2. Long break - 1 hour duration

Note : Users can choose their desired type of break.

3. **How many short/long breaks can be taken during a day?**

There are no fixed counts of breaks that a user can have during a day.

4. **What happens if I don't mark Check-in after a short/long break?**

Users are supposed to mark Check-in within the duration of break i.e., if a short break is selected then the user is supposed to complete the break and Check-in to work before the break is over.

If not checked in within the applied break time, mail notifications will be sent to the reporting person. Example: If a user is on break from 12:00 PM to 12:30 PM, they need to check in back on or before 12.30 PM.

CHECK OUT

1. When am I allowed to mark Check-out?

Users are allowed to Check-out only after they achieve 8 hours of working excluding their break time.

2. What should I do if I need to Check-out earlier from work?

For a user desiring to close their working day earlier due to uncertain situations they need to apply for Day Off/ Time Off. After this the system lets you mark Check-out and lets you close your working day.

3. When should I apply for a Day Off to Check-out?

In a day when user completed only 3 hrs of working and wish to close the day earlier. In this case user cannot apply Time Off more than 4 hrs for a day so they can apply Day Off to Check-out.

4. When should I apply Time Off to Check-out?

In a day when you have completed only 6 hrs of working and wish to close the day earlier. In this case you can apply Time Off for 2 hrs so the system lets you Check-out.

5. What happens if I forgot to Check-out for a day?

If a user forgets to Check-out while closing their work for the day, the system will automatically mark Check-out at midnight 12 AM.

6. Can I mark Check-in/ Break / Check-out in multiple tabs?

Users cannot mark Check-in/ Break / Check-out in multiple tabs.
