Guidelines:

- 1) Requesting Leaves along with Holidays and taking extended Leaves must be approved by the respective Reporting Persons, Project Owners, or Team Owners, contingent upon the project's current status.
- 2) All employees are anticipated to submit leave applications well in advance, preferably with a notice of at least three weeks, and avoid last-minute requests.
- 3) Team members and their respective Team Owners, Reporting Persons, or Project Owners should ensure that the absence of any team member does not adversely impact project deliverables.
- 4) The Reporting Person/Project Owner/Team Owner is responsible for ensuring enough team members are available on all working days to manage the tasks. When granting leave approvals, consulting with relevant individuals associated with the project is advisable.
- 5) As a reminder, the first Saturday of every month will continue to be a holiday for Trainees, Project Interns, Apprentices, and Probationers who have the rest of the Saturdays as Working days.
