FAQ of Day Off(Leaves) and Time Off(Permissions)

1. How to Apply Leaves?
Go to Day Off in the side menu, and then choose My Leaves from the dropdown. On the Leaves page, click the Apply Leave button in the top right corner to apply leaves.
2. Who will be able to approve my applied leaves?
The primary project reporting person can approve your applied leaves, and the team reporting person also has permission to approve them.
3. Where can I see my project and team reporting person?
In your profile, navigate to the Projects tab in the left-side secondary menu. There you can find your primary project reporting person. You can also view your team's reporting person under the Team tab.
4. To whom do I need to update my unplanned or emergency leave?
You must notify your primary project reporting person of any unplanned or emergency leaves.
5. How should a reporting person handle an unplanned or emergency leave?
In case of any unplanned leaves, his/her primary project reporting person has to apply the unplanned leaves against the employee in the Apply Leave popup > Choose to Apply for Others.
6. What should I do after returning from my unplanned leave?
Soon after starting a day after an unplanned leave, you need to confirm the unplanned leave applied by your primary project reporting person under the unplanned leaves section on my leaves page. Once you have confirmed your unplanned leave, it will be approved by your primary project reporting person.
7. Can I request half-day leave?
You can request permission (Time Off) upto 4 hours per day that need to be compensated within that month.
8. When will I be able to apply for Comp Off Leave?
If you have any available Comp Off leaves, you can select the Comp Off option in the Apply leave popup.
9. Is there any expiration date for my Comp Off?
Yes, you need to utilize the available Comp Off before the expiry date provided by the HR team.
10. How do I apply for permission (Time Off)?
Similar to Day Off, there is a menu named Time Off where you can log your permission.
11. How many hours per day can I take time off?
You may take a maximum of four hours of time off per day.

12. Does time off need approval?

The approval flow for time off is similar to that of Day Off.

13. Do I need to compensate for the time off?

Yes, you need to compensate before the end of the month.

If you need any clarification in this leave/permission process, you can contact the HR Team.
